Introduction

Just What Is Istaglaan "*Initiation*" ?

A Distinction Must Be Made Between The Procedure, That Is, Its Functional Operation, And Its Purpose. This Purpose Is A State Or Condition Of Preparation. The Functional Aspect Of Initiation Is Its Ritualistic Structure. The Importance Of The Testing Of The Initiate Is Impressed Upon Them In A Dramatic Form. In Other Words, The Purpose And What Is Expected Of The Initiate Is Enacted. This Form Of Initiation Has An Emotional Impact Upon The Individual. The Dramatic Incidents Of The Initiation Are Intended To Play Upon The Whole Emotional Gamut Of The Individual. They May Arouse, For Example, Fear, Anxiety, Momentary Depression, And Ultimately, Pleasure To The Extent Of Ecstasy. True Esoteric Initiation, As Performed Today By Fraternal Orders Of A Mystical, Metaphysical, And Philosophical Nature, Incorporates Those Fundamentals Of Initiation Which Can Be Traced To Ones Conducted In Ancient Egipt. Induction Into The Ancient Mystery Schools Was Always In A Form Of Initiation.

What Does It Mean To Walk The Spiritual Path Of Bodily Discipline And Self Control? Being An Initiate In **A.E.O. (The Ancient Egiptian Order)** Is Not What Most People Think Of When They Hear Of A Bodily Discipline Practitioner Or A Mystic Order. There Are Many Misconceptions Being Taught About The Teachings Of The Mystics, And There Are Many Misconceptions About Those Who Practice Bodily Disciplines As The Sufis Of Islam, (Sons **Of The Green Light, S.G.L.**), Or The Essenes Of Judaism, (**Ancient Mystic Order Of Melchizedek, A.M.O.M.**). Sometimes The Image Of A Cross-Legged Man With Matted Locks Comes To Mind When Thinking Of The Mystic, And Sometimes Wandering Ascetics (A

Person Who Renounces Material Comfort And Leads A Life Of Spiritual Improvement) Comes To Mind. Sometimes An Image Of An Incredibly Limber Person In Some Impossible Posture Comes To Mind. Sometimes A Figure In A Meditation Posture Transcending The World Comes To Mind. Also Sometimes People Think That Bodily Discipline Can Drive You Crazy So They Picture A Fanatical Person Uttering **Un-Intelligible** Words.

Sometimes The Image Of The Media And From The Traditional Church, Mosque, Synagogue Or Lodge Has Promoted An Image Of Occult, Mysterious And Unnatural Personalities As Practitioners Of Bodily Discipline And They Also Picture Cults And Fanaticism. The Western World **Doesn't** Have A Spiritual Life So They Call You A Cult Out Of Fear. They Need You To Worship Their Image, That Of A European God Or Deities As A Family, Father, Mother, Daughter And Son. This Is Done To Control Your Mind.

Question: What Is Istalgaan "*Initiation*"!

Answer: The Word Initiation Comes From The Latin *InitiāRe*, InitiaT-, From *Initium*, "Beginning", A Ceremony, Ritual, Test, Or Period Of Instruction With Which A New Member Is Admitted To An Organization Or Office Or To **Knowledge**." The Great Egyptian Personalities Of The Past, Such As The Original Mother And Father Of All Homo Sapiens Known To The World As Adam And Eve In The Monotheistic Religions, Being The Parents Of All Humanity Is Really Taken From Isis And Osiris Of The Egyptian Mysteries, Which In Fact Were Not Mysteries, But Actual Events Of The First Family Of The Dynastic Periods Of The First Civilization, Egypt. In This Case Adam As Osiris Was Also Abel, And His Brother Set, Being Cain Was Also Their Satan. They As You Can See Changed The Stories Around And In Time It Became The Holy Family.

Asaru "*Usir, Osiris*" As The Heavenly Father And Aset "*Isis, Auset*", As The Blessed Mother Of The World From Which The Mary Concept Of Christianity Came, And From Where The Faatimah Concept Of **Muhammadism** Came, And Also Hat-Hor "*Hathor*", From Where The Hagar Of Your Bible Came). Also, The Haru "*Hiru, Horus*" Story As The Holy Son Of God The **Y'Shua** "*Isa*," Of Monotheistic Religion Called Jesus Or Christ, Of Jerusalem (7-120 A.D.) And Buddha Originally Called "**Siddhartha** Gautuma Buddha (563-483 A.D.) Of India, The Buddhist Monks, And Even The Prophet Muhammad Of Arabia (570-632 A.D.) And Muhammad Ahmad **Al** Mahdi Of Sudan Of Africa (1845-1885 A.D.) And Many Other Great Sages And Saints Were Initiated Into The Egyptian Mysteries Of The Spiritual Path. All Of Your Bible Or Quranic Prophets And Apostles Went To Egypt To Be Taught At Least One Time In Their Lives, Such As Abraham, Moses, Jesus, David, Muhammad, Etc. Egypt Was The Seat Of Education.

Question: But How Did Istalgaan "*Initiation*" Help Them And What Were They Specifically Initiated Into?

Answer: Let's Just Take A Look At The Word Initiate And Its Meaning: As Previously Stated, The Word Initiate Means: "*To Begin Or Originate, To Introduce A New Field, Interest, Skill, Or Activity. To Admit Into Membership, As With Ceremonies Or Rituals. The Purpose Of Initiation Is A State Or Condition Of Preparation. The Preparation Consists Of A Series Of Tests And Trials Of The Initiate To Determine Whether He/She Is Worthy Of Elevation To A Higher Knowledge.*"

Many People Think Of Istalgaan "*Initiation*", When Associated With Spiritual Studies, As Some Kind Of Fantastic Event Which Will Cause A Major Transformation In A Person's Life At Once. But, In Reality With Each Test Overcome, A New Phase Of Existence Begins. At The End Of Each Season Of Life,

The Outline Of A New Being Emerges. **Istalgaan** "Initiation" Should Be Thought Of Less As An Event And More As The Process Of Embarking On A Journey Of Better And Even Spiritual Living Which Will Lead To Spiritual Alignment. With This Broad Overstanding, It Should Be Clear That This Entire Book Is Initiating You, The Reader, Into The Higher Teachings Of Life. Every Time You Turn A Page In **The Ancient Egyptian Order** You Are Learning More And More About This World And As You Do, You Are Learning More About Your Real Self. In This Section We Will Discuss The Process Of **Istalgaan** "Initiation" And The Way In Which Spiritual Growth Is Imparted.

This Can Also Happen When A Person Smoothes Out The Path Of **His/Her** Life By Removing All Obstacles From Their Itinerary, They Deny A Truth, He/She Lies To Themselves. This Is Likened To **Seh** "Religion". Seh Is The Smoothing Out Or The Easy Way Out Of Responsibilities Of The Truth. Religious People Settle For The Lies. They Are Ignorant Or Ignoring The Truth. From Before The Tradition Of Egyptian Teachers And Students, **Initiation** Has Been Carried Out In Secret Chambers, Kept Out Of The Sight Of The Blinded False Light World.

This Is Evident Even In The World Religions, The Masters Of Deception. In Some Text Books It Is Written That **Pa Neter Hat-Har "Hathor"** Of Ancient **Tama-Re "Egipt"** Was Initiated By **Tehuti "Thoth"** Who Is Mistaken To Be **Moses** In The Bible, However, The Egyptian Mysteries Are Relating To **Tehuti "Thoth"**, Who Is The Deity That Kept The Records. The New Testament In Greek Calls God **Thehos**. That Is The Same Name. So All Christians Are Praying To An Egyptian Deity **Tehuti "Thoth"** And Don't Know That The Word "**Thought**" Was Taken Out Of His **Tama-Reye** (Egyptian) Name **Thoth**. And Tehuti Was The Master Of Divine Words And Writings Of Wisdom,

And Wrote With A Quill. The Quill Is Symbolic Of The Beak Of The Heb "**Ibis**" Used By The Tama-Reyeaat (**Egiptians**) For The Mask Of Tehuti.

Molding Or Fashioning And Shaping From Mud Or Clay, The Dust Of The Ground, The First Man. That's Right This Is Where The Bible And Qur'an Get Their Story.

Question: Who Is Tehuti?

Answer: Tehuti Is The Neter "**Deity**" Of Learning, Writing, Mathematics And Language And The Keeper Of The Secret Word As The Christians Say It **John 1:1** "*In The Beginning Was The Word.*" The Qur'an Puts It "Allah Just Said A Word To Create. **Kun** "Be" Or "Exist". They Copied It From Egipt.

John 1:1

Modern Greek Script

Εν Αρχη Ην Ο Λογος, Και Ο Λογος Ην Προς Τον Θεον, Και Θεος Ην Ο Λογος.

JOHN 1:1 IN THE **ARK-KAY** (VERY BEGINNING) WAS THE **LAG-OS** (SAYING) AND THE **LAG-OS** (SAYING) WAS WITH **THEH-OS** (ELOHEEM) AND THE **LAG-OS** (SAYING) WAS **THEH-OS** (ELOHEEM).

In The Origin Of Things There Was The Saying And That Saying Was The Thehos' (Eloheem's) Saying And That Saying Was A Saying Amongst The Thehos (Eloheem).

"IN THE BEGINNING WAS THE WORD, AND THE WORD WAS WITH GOD, AND THE WORD WAS GOD."

Tehuti Is Referred To As **Thoth** By The Greeks Who Is Referred To As **Gew** By The Tama-Reyeaat (Egiptians). In Ancient **Tama-Re** "*Egipt*", He Is The Scribe Of The *Neteraat* "*Deities*". He Appears As The Record Keeper Of The Dead In

The Books Of Coming Forth By Day (Book Of The Dead) And He Is The Patron Of Learning And Of The Arts. He Is The Inventor Of Writing, And In The Specific Theology Related To Him, He Is Also Seen As The Creator Of This Universe. **Tehuti** Is Depicted As A Man With The Head Of An **Ian** "*Baboon*" Or Of A Heb "*Ibis Bird*". He Also Bears A Pen And Ink And Sometimes Also The Lunar Disk "Moon Disk" And Crescent "Moon".

Pa Heb "The Ibis" Bird

Pa Ian "The Baboon"

The **Heb** "*Ibis Bird*" Is A Wading Bird Related To The Stork And The Heron. The Choice Of The Ibis Indicates A Unique Feature Or Quality Which Spiritual Learning Requires. This Quality Is Related To The Wading Nature Of The **Heb**

(Ibis Bird). The Word Wading Means "*Walking In Or Through, A Substance, As Water, That Offers Resistance, Impedes Or Makes Movement Difficult.*" The **Luna** "Crescent Moon" Symbol Of **Tehuti** Is A Figure Of The Moon Or **Luna** In Its First Quarter. It Has Concave And Convex Edges Terminating In Points, Four Moon Cycles And Four Sun Cycles.

The Crescent Moon Symbol On The Head Of Tehuti

The Deity **Khonsu** Was Also A Lunar Deity. He Assisted Tehuti In Recording The Passing Of Time And Also Served As A Healer Of The Sick And Protector Against Evil Spirits.

Khonsu With The Crescent Moon Symbol On His Head

The Cycles Of The Moon

The Crescent Moon Symbol Signifies Growing Or Increasing Overstanding, Reason And Spiritual Wisdom. The Muslims Took It As Their Symbol Of When To Open And Break Their Fast Of Ramadaan. Many Islamic Countries Also Use The Crescent On Their Flags.

In The Qura'an, **Surah 2:189** It States In Part: *They Ask Thee Concerning The New Moons. Say: They Are But Signs To Mark Fixed Periods Of Time In The Affairs Of Men And For Pilgrimage...* A Key Pillar In Their Faith Islam. They Got It From Egypt. Therefore, **Tehuti** Is The Embodiment Of Knowledge. He Was Known As **Hermes** And **Thoth**, By The Greeks, **Melchizedek** In Your Bible, And **Al Khidr** In Islam.

Different Islamic Flags Showing Crescent And Moon

This Is One Of The Reasons He Is Said To Have Created Writing. He Is Also The Messenger Of **Re "Ra, The Sun Deity,"** Also Meaning The Soul Who Brought The Special Words Of Power To **Aset "Auset, Isis"** In The Ausarian Resurrection Story In Order To Resurrect (Her Husband) **Asaru "Usir, Osiris"**. This Is Also The Same Deity That Hagar Of The Bible Called On **El Roi. (Genesis 16:13).**

Tehuti Represents Intellect, The Mind And Its Capacity To Cut Through (Wading Through) The Myriad Of Thoughts And Concepts (Ma "Water") In Order To Get To The Truth. The Universe Is Overstood To Be Like An Ocean Of Matter Through Which **Re "Ra"** Sails On His Highly Decorative Boat "**Mandjet**" In Order To Sustain Creation.

The Neter Re

The Mandjet Boat Of Re

Tehuti Is **Ra's** Mind, The Mental Plane, With Which **Re** "**Ra**" Moves Through The Ocean Of Creation, Which Is True Birth Or Growth. **Re** Incarnated Into **Tehuti**, Who Kept All The Secrets Of **Re**. Thus, The Universe Is Like An Ocean Of Consciousness Known As **Nun**, The Letter Of Light (نور) "**Nuwr**" And Fire (نار) "**Naar**" In Syriac, Arabic. Both Of These Words Are Also Written In Arabic Without The Use Of Vowels. Its Meaning Was Known To The Egyptians As *To Cuddle A Fish Or Whale*. In The Muslim Religion Of Islam It Became **Nun**, The Great Whale Of **Jonah**, The Great Sea Creature. A Mystic Letter In The **Qura'an** Which Is The Abjad **50**. And This Is Equivalent To The **Epochs** Which Takes Place Every 50,000 Years With The Ending And The Beginning Of A Whole Cycle.

Each Equinox Cycle Is **25,000** Years And Consists Of A Lunar "**Moon**" Cycle Or A Solar "**Sun**" Cycle And Together They Make Up The 50 Year Epochs. In The Quran, **Surah 68 Verse 1**, Which Was Originally **Surah 2 Verse 1**, It Says **Al Qalam** "*The Pen*" Or (ن) **Nun**. This Reference Is An Excerpt Taken Out Of The Abdullah Yusef Ali Version Of The Quran, And I Quote:

El's Holy Qur'Aan 2:1 (Original Order)

ن وَالْقَلَمِ وَمَا يَسْطُرُونَ

Nuwr, The Light And The Qalam, 'Quill' And What Is Recorded, They 'Yasturuwn' (By It).

The Light And The Quill And What Is Recorded, They, (By It).

Koran 68:1 (Wrong Order)

Nun. By The Pen And By The (Record) Which (Men) Write.

"...The Letter N Could Also Symbolically Represent Jonah In The Arabic Form Yunus, Where The Characteristics From The Letter Is N".

The Spirit (Ra) Uses The Mental Plane (**Tehuti**) To Maintain Order And To Bring Forth Learning And Knowledge To Creation Through The Arts, Sciences And Language. Nothing Is Invented By Human Beings. Everything That Is Created By Civilization Comes From The Mental Plane And Is Grown. That Is Growth Like Knowledge, And Not From Any Individual Human Being. To Think Otherwise Would Be An Egotistical Thought. The More A Person Is In Tune With The Mental Plane, The More Knowledge He Or She Can Obtain And The More Inner Peace And Fulfillment A Person Can Experience. The Link Must Be Made. The Farther Away A Person Gets From The Mental Plane Through Negative Actions, Ignorance And Delusion, The Less Able A Person Is To Discover Goodness, Inner Peace, Knowledge, Happiness And Health In Life.

So Tehuti Devised A Plan To Approach **Haru "Horus"**. Overstanding That He Is In A State Of Intense Dullness, He Knows That He Cannot Approach Him Directly By Using His Ordinary Form And By Giving Him Direct Teachings As To The Nature Of The Self (Ra) And His True Identity. So He Decides To Transform Himself Into The Form Of A Humble, Harmless

Looking **Ian** "Baboon" Instead Of Presenting Himself In The Form Of A Regal **Heb** "Ibis Bird" Heading Divinity.

He Did Not Actually Become A Baboon, He Took The Form Of A Baboon. So That He Can Teach **Haru** The Nature Of The Baboon And His Quest For Water Holes. So This **Be-Came** The Lesson Of The School Of The Aggressor **Simian** "Monkey".

**Tehuti Disguised As A Baboon
Holding The Eye Of Re**

Just As The **Heb** "Ibis" (Bird) Is A School Of The Bird, The Eagle Is The Symbol Of America. It's The Same Principle. **Tehuti** Also Decided To Present To **Hat-Har** "Hathor" Some Of The Most Profound Teachings Related To The Nature Of The Animals In The Self, In The Form Of Parables In Order To Gradually Gain His Confidence And Stimulate His Latent Memories Of Her True Glory.

Question: What Do You Mean By His Quest For Water Holes?

Ans: When A Monkey Is Searching Out Water, They Wait Until Another Animal Goes To Get Water So The Monkey Can Follow Them And Find Water. This Is A Sign Of Thinking, Thought, Planning And Scheming.

Question: Why Is Tehuti Holding The Eye Of Ra?

Ans: Tehuti Is Holding The Eye Of **Re** "Ra" As A Warning Of Caution. **Tehuti** Was Preparing **Haru** For A War That Was To **Be** Fought Between Him And His Uncle **Sutukh** "Set", And Remember **Re** Incarnated Into **Tehuti** So He, **Tehuti** Became His Eyes.

Question: Does Tehuti's Crescent Have Any Connection With Hat-Hor?

Ans: No, The **Two Horns Of Hat-Har** "Hathor" Represents The Upper Abode And The Lower Abode, And The Center Represented The Spinal Cord. **The Crown** Also Symbolized The Divine Contents, For Lying Within The Brain Is The Radiant Kingdom Of **Pa Neter** (The Deity) Within Mortals. Two Horn Symbols Were Utilized By The Spiritual Elders Who Walked With Men In The Days Of Learning To Teach The Children Of "Ta" (Earth).

The Two Horns Of Hat-Har

In The Beginning, The Spiritual Master Must Help The Individual To Somehow Turn The Anguish And Pain

Experienced As A Result Of Interaction With The World Into A Want To Rise Above It. To This End, A Series Of Techniques And Disciplines Have Been Developed Over Thousands Of Years.

Some Of These Methods Are Facts, Parables, Mental Discipline, Meditation And Physical Culture (Bodily Discipline, **Sinai** "Union" Exercises (*Refer To "The Breath" Book For Information About Egyptian Smai*) And Development Of The "Internal Life Force" **Sekhem**). **Ashutat** "Prayer" Can Be Found For All Of These Subjects In "*The Sacred Tablets Of Tama-Re*". The **Waab** "Spiritual Master" Needs To Help The Seeker To Restructure And Channel Those Energies Which Arise From Disappointment And Frustration Into A Healthy Dispassion For The Physical World And Its Entanglements. The Spiritual Master Shows The Way To Develop Spiritual Aspiration And Self-Effort Directed At Sustaining A Viable Personal Spiritual Program Or Spiritual Discipline To The True **Tama-Reye** "*Egyptian*" Mystic.

Tehuti Is The Quintessential Image Of The Spiritual Master In This Story. The Word "**Spiritual Master**" Is An Egyptian Term Signifying **Spiritual Instructor**, A Teacher Of Spiritual Truths. A Spiritual Instructor Is A Sage "One With Wisdom And Good Judgment" Who Shows Others The Way To Overstand The Higher Reality Beyond The Ordinary Phenomenal Universe. But, First The True Being Inside Seeks The Real You. He Or She Shows Others How To Discover Their True Identity And Realize Their Oneness With **Pa Kuluwm**, "*The All*".

In The **Essene Order**, They Are Spiritual Guides. The **Essene Order** Was A Strict Spiritual Community, Made Up Of Men And Were Called Many Names Such **The Magi**, **The Elders**, **The Wisemen**, Etc. This Is What **Amunnubi**

Ruakhptah, Who Is The Reincarnation Of **Neter Atum-Re** Is To This Secret Order **The Ancient Egyptian Order**. In Ancient **Tama-Re** "*Egypt*", There Are Two Great Spiritual Preceptors. **Tehuti** Is One Of Them. He Is The Wonderful Teacher Of **Netert Hat-Har** "*Hathor*" And **Haru** "*Horus*". The Other One Is The **Netert Aset**.

A Spiritual Instructor Is Not Only A Person Who Has Attained A High Level Of Internal Self-Discovery And Purity, But Also A Person Who Is Well Versed In The Scriptural Writings Of The **Holy Tablets**, **The Sacred Records Of Atum-Re** And **The Sacred Tablets Of Tama-Re** Or The Knowledge Of Parables And Facts Along With Their Mystical Implications. He Or She Also Knows The Practices Which Lead A Person To Spiritual Evolution (Bodily Discipline). Yet, Most Of All He/She Must Be Down To Earth In Order To Relate To The People. They Must Live A Normal Life, To Truly Overstand How To Reach People.

In Order To Impart The Spiritual Teaching, A Teacher Sometimes Needs To Disguise Him Or Herself Physically In Order To Approach A Devotee The Way They Want The Truth. They Must Come To You The Way You Need Them, Give You What You Want Until You Learn To Want What They Really Come To Give You. Maybe He/She Will Pretend To Be A Muslim Or A Christian Just To Get The Devotees Inner Ear. Sometimes The Teaching Itself Needs To Be Hidden Due To The Level Of Evolution Of The Devotee. This Is Why **Seh** "*Religion*" Was Created With Three Levels Of Practice, "Faith, Ritual And Mystical Union", No **Facts**.

A Lesser Advanced Devotee May Require More Availing Than A More Advanced Devotee. If The Teaching Is Given Directly, It May Be Mis-Overstood Or Even Repudiated

Altogether Due To The State Of Mind Of The Individual. Hence, The Devotee Must Be Properly Initiated Into The Teaching And The Proper Relationship Must Be Established Between Teacher And Devotee. / *Came Giving You What You Want So That You Would Learn To Want What I Have To Give.*

The Teacher Offers Humility And Honesty With A Beguiling Wit, Cheerfulness And An Uplifting Outlook. The Teacher Brings Divine Food In The Form Of Teachings Which Uplift The Mind By Relieving The Burden Of Pain And Sorrow Which Weighs Down The Soul Of A Human Being Due To Ignorance And Negativity. The Divine Food Is The Taste Of Divine Glory. It Is A Glimpse Of The Goal Which A Devotee Must Aspire To Experience In Its Fullness But Which Is Experienced In Degrees As The Teacher Gives The Spiritual Teaching And As It Is Assimilated By The Devotee.

The Devotee Must Learn To Respect And Trust The Teacher. Also, The Devotee Must Allow The Teaching To Penetrate Deeply Within The Heart. It Is Only Then That The Teaching Will Have A Transformative Effect. **Hat-Hor "Hathor"** Allowed **Tehuti's** Words To Penetrate Her Cold, Anguished Heart And She Began To Remember Her Past Glory.

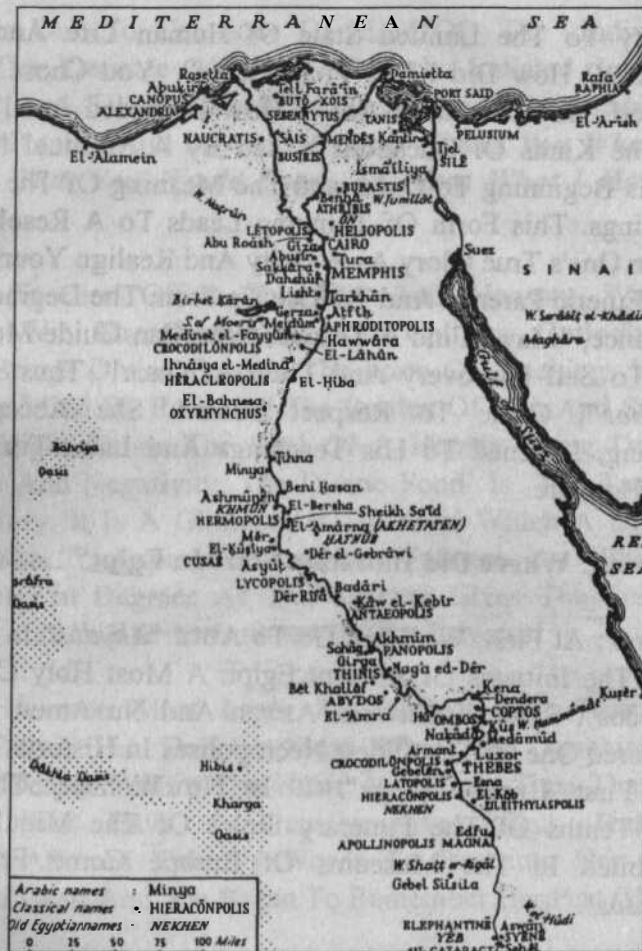

This Is The Process Of Divine Memory Wherein She Began To Regain The Remembrance Of Her True Identity. The Pain Of Seeing Her Current Level Of Existence In Comparison With Her Past Glory Brought Her To Tears. This Is The Common Realization Of A Spiritual Neophyte (Beginner, Someone Recently Joining **The Ancient Egyptian Order**) When Beginning To Overstand The Right Knowledge, Right Wisdom, And The Right Overstanding, Called **Nuwaubu** Or **Nuwaupu**. "What Have I Done To Come Down From The Heights Of

Divinity To The Limited State Of Human Life And Mortal Existence? How Did I Fall From Grace? You Chose To Rule Yourself. How Wretched Am I? How Degraded Am I?" These Are The Kinds Of Questions Asked By A Spiritual Neophyte Who Is Beginning To Overstand The Meaning Of The Spiritual Teachings. This Form Of Thinking Leads To A Resolution To Regain One's True Glory As A Deity And Realign Yourself With Your Etheric Parents. And To Rise Up From The Degradation Of Ignorance, "May I Find A Teacher Who Can Guide Me On The Path To Self Discovery And Truth At Once!" Thus, **Hat-Har "Hathor"**, Came To Respect **Tehuti**. She Accepted His Offering, Listened To His Teachings And Later Trusted Him With Her Life.

Question: Where Did Initiation Start In Egypt?

Answer: At First, We Must Go To **Abtu "Abydos"** In Order To Meet The Initiates Of Ancient Egypt. A Most Holy City, **Abtu "Abydos"**, Situated Between Aswan And Nu **Amun "Thebes"**, Sheltered One Of The Oldest Necropolises In History. There Lay The First **Uraat "Kings"**. It Is No Wonder, Then, That Nine-Tenths Of The Funerary Steles Of The Middle Empire Exhibited In The Museums Of Europe Come From **Abtu "Abydos"**.

The Fact Is That **Abtu "Abydos"** Was Twice Venerable. Originally The Last Resting Place Of The First **A'afertiaat "Pharaohs"**, It Became, At The Beginning Of The Second Millenium, The Guardian Of The Head Of **Asaru** The Savior, Who Led Humans To Immortality. The Most Precious Part Of The Divine Body Dismembered By **Sutukh "Nebty, Set"**, The Brother Of **Asaru "Usir, Osiris"**, Lay In This Holy Place Of Egypt, Sheltered In A Shrine Surmounted By Two Feathers.

Map Of Egypt

The Holy Sepulcher Was Built At The South Of The City, In A Place Called Peker. At The North Stood The Great Sanctuary Of Asaru. Erected At The Dawn Of History, Beginning With The First Dynasty, Remodeled, Destroyed, And Rebuilt Several Times, All That Is Left Of It Today Is An Outline, Hardly Legible, On The Site Of Its Successive Ages.

The Osireion Of Abydos

This Structure Is Undoubtedly The Most Mysterious In The Valley Of The Nile. Its Construction Began During The Reign Of Seti I And Was Entirely Underground At The Origin. It Comprises A Long Dark Corridor Leading Into A Hall Filled With Water. From The Center Of This Basin Rises A Rectangular Esplanade, A Kind Of Island Surrounded By Heavy Pillars Of Pink Granite, To Which Two Staircases Lead.

Central Hall, Osireion Of Abtu "Abydos"

Question: How Can You Prove That Initiations Were Performed In Abtu "Abydos"?

Answer: A Very Old Text Dating Back To 2000 B.C., Quite Unknown Up To Now, Seems To Give An Affirmative Answer:

*"To Follow The Deity To His Abode,
In His Tomb...."*

Anubis Sanctifies The Hidden Mystery Of Asaru

(by The Sacred Valley Of The Master Of Life (Asaru).

(It Is) The Mysterious Initiation Of The Master Of Abydos!"

Anubu "Anubis" Welcomes The Postulant At The Threshold Of The Sacred Domain. The Necropolis Of Abtu "Abydos" Still Shelters Such A Basin Concealed In The Strange Construction Of The Osireion. But Here Is The Important Thing: To Reach The Tomb Of Asaru "Osiris" On The Aquatic Esplanade, The Visitor First Had To Step Down Into The Holy Water In Order For His Sins To Be Washed Away. No Other Site Still Standing In Ancient Egypt Seems Better Arranged For Initiations.

Now Let Us Imagine The Splendor Of This Hall When The Roof Was Still On, As The Heavy Architraves Testify. The Water In The Basin Glistens Under The Fleeting Glimmers Of The Lamps And Torches. Masked, Officiating Priests Surround The Initiate. He Relinquishes His Clothes-The Impure Clothes That Cloaked The Old Man. He Slowly Steps Down Into The Original Sea. Holy Water Envelop Him. As A Mother, She Welcomes Him. Like A Setting Sun, He Goes Down Into The Abyss. And Then He Emerges From It As A Sun, Resuscitated. Having Become Asaru "Osiris" Through Justification And Likened To Re, Through Regeneration The Initiate Climbs The Twelve Steps Of The Osireion Leading To The August Esplanade. Among The Heavy Pillars Protecting The Dead Deity, He Receives New Clothes: White Linen Veils.

Asaru Being Resuscitated Under The Holy Tree Dendera

Question: Why Was Initiation Necessary?

Answer: Initiation Or Ritual Was Introduced To Change The Quality Of The Novice's Soul, To Raise Their Consciousness To A Superhuman Level, And To Make An Eternal Being Out Of Them. Thus The Rituals Of Adonis Or Tammuz In The Near East, Of Asaru In Egypt, Of Orpheus In The Greek Islands, Of Dionysus In Hellas, All Depict Death And Resurrection So That One May Symbolically Experience A Superhuman State And Eternal Life. These Practices Psychologically Resulted In The True Victory Of Humans Over Their Fear Of Death. Through Initiatory Death, The Human Being Is Absolutely Convinced That They Will Be Spared The Pangs Of Death.

An Introduction To Ma'at

Netert Ma'at Is The Foundation Of All The Mystery Schools Of Thought. The Quill Is Also From The Ostrich Feather, Which Was The Ma'at Feather. Ma'at Was The Wife Of Tehuti "Thoth" And The Daughter Of Ra. Yes These Are People, Just Like You. Blood, Flesh And Bones. She Was The Netert Of The Unalterable Laws Of Heaven.

The Netert Ma'at

When The Egyptians Said Heaven, They Meant The Skies, The Solar System, Galaxies, Universe. They Actually Recorded Septet "Sirius" And Sahu "Orion" As Heaven Above. Ma'at Was The Female Netert Of Truth, Justice, Right Thinking And

The Weigher Of The Heart. She Was The Ruler Of The Day Of Judgement. Yes Bible And Quran Got It From This. She Is The Order Which Rules The Worlds Through Balance. She Was A Nebt (Master, Sustainer, Lord) Of All The Worlds. The Creation Of The Universe Could Not Have Been An Accident For One Reason And That Is: That There Is **Ma'at** "Order" Within **Nun** "Chaos". Like Everything Else, Life Began With One Thing In Mind: "**To Be**" And With This Thought A Thing Became, And Impregnation Existed, By The Will Of **Huhi** As **Hu**, The Creative Force Of Will. Hu As A Word Gave Birth To Yahuwa (Jew's God), Jehovah (Christian's God) And Huwa Or Allahu, (Muslim's God). **Ma'at** Can Be Seen On Numerous Walls Of Ancient **Tama-Re** "Egypt".

Scene Of Ma'at Weighing The Heart In
The Judgement Hall

Neter Haru "**Hiru, Horus**" Of Ancient **Tama-Re** "Egypt" Was Initiated Into The Ancient **Tama-Reye** (A.E.O, Ancient **Egyptian Order**) Mystical Teachings By **Aset** "**Isis, Auset**". Most Forms Of Initiations Can Be Found On The Walls Of Egypt. This Is Where Initiations Originated. Take A Look At **Rama** (A Form Of Krishna From India) He Was Initiated Into The Teachings By **Sage** (One With Wisdom And Good Judgment) **Vasistha**. The Messiah **Jesus Christ** Was Initiated

Into The Order Of Melchizedek (**Hebrew** 7:1-2), New Testament. And Melchizedek Was None Other Than **Tehuti** "**Thoth**". So Was Abraham (**Genesis** 14:18) And Moses (**Qur'an** 18:60-82), Which In The Muslim Commentary Of The Qur'an They Literally Confirm That This Melchizedek Is The Same One Referred To As The King Of Salem In **Genesis** 14:18-20.

In The Holy Bible It States In **Mark** 1:9 "**And It Came To Pass In Those Days That Jesus Came From Nazareth Of Galilee, And Was Baptized Of John In Jordan**". Your Baptism Was An Initiation. So Was The Muslim **Shahadat**. Another Discipline Of Life Spiritual Studies Require An Authentic Teacher, **Muhammad** (570-632 A.D.) Was Initiated By **Waraqa Ibn Naufal** (527-639 A.D.) (Refer To The Holy Tablets Chapter Nineteen) And Many Others Were Also Initiated.

Pictures Of Initiations In Ancient Egypt

Even The Greatest Teacher Cannot Teach A Person Who Is Not Qualified To Learn. Therefore, We Will Begin By Enumerating The Nine Virtues Of A Spiritual Neophyte (Beginner). These Imply The Qualities That Anyone Desiring To Practice Spirituality, Needs To Work On To Develop. The Teachings Of Bodily Discipline And Mystical Reality Are The Means By Which An Ordinary Human Being Can Rise To The State Of Spiritual Truth, Inner Fulfillment, Peace And Abiding Happiness In Life. These Teachings Were In Ancient Times Passed On Through An Exact System Which Involves Listening To, Study Of, And Meditation Upon The Teachings In A Proper Environment And With Proper Guidance. This Method Of Teaching Is Known As *Initiatic Way Of Education*. There Are Many Styles Of Bodily Discipline, Although Their Goals Are All The Same: Union With The Real You, The Inner Deity. These Include: Bodily Discipline Of Intuitive Wisdom Of The Divine, Of Devotional Union With The Divine, Of Meditation And Mind Control, Of Virtuous Living Of Cultivation Of The Latent Life Force Energy, **Sekhem**.

The Initiative Way Of Education

Bodily Discipline Philosophy Originated At The Birth Of The European Or **Pa Tuta**, (The Evil Person, Also The Egyptians Called The **Tamahu** "The Disgusting Or Sickly Ones) The Man Made Man, A Kind Of Man, **Man's** Kind, Mankind Civilization, That Is When He Was **Bes Sheta** "Secretly" Initiated Into The Three Degrees That Civilized Him. 1. Do Not Kill Human Beings, 2. Do Not Eat Flesh, 3. Walk On Two, Not Four. These Were The First Commands Over **Pa Tuta**. This Led Into Us Civilizing Them. We Taught Them. But, Now He, **Pa Tuta** Is Losing It All. His Time Has Ended. He Is Regressing Back To An **Ian** "Baboon". In The Present Era Of History Beginning With The Emergence Of The 46 Dynasty Point In **Ancient**

Tama-Re "Egipt" Pa Tuta "The Devil" Was Given 6,000 Years To Rule The Children Of The **Neteru**, Woolly-Haired **Nuwbuns** Until They Transformed Back Into **Neteru** To Break The Spell. **Pa Tuta's** Time Ended 9/9/99 A.D. And The Beginning Of His End Was 6/6/66 A.D. Civilization Lasted From 4000 B.C.E To 2000 A.D. The Mystical System Of Egipt Provided A Unique Format For Education And Government Which Was Able To Sustain And Provide For The Needs Of Ancient **Tama-Re "Egipt"** For Over 5,000 Years Protecting The Secrets Now Being Revealed To You. Therefore, It Is Useful Here To Briefly Describe The Mystical System Of Education And A Method In Which Its Wisdom Can Be Applied To Modern Society. Since The Teachings Of Bodily Discipline And Mystical Spirituality Have Been Traditionally Passed On Through The Teacher-Devotee Relationship For Over Six Millennia, (6000 Years) This System Of Education Called **Nuwaupu** Is Integral To The Study Of Transpersonal Disciplines. While In Modern Times The Local Parish Priest, The Counselor Or Psychotherapist, The Imams And Rabbis Have Taken The Place Of The Sages, They Have Not Adopted The Wisdom Nor The Ancient Method Of Education Employed By Their Forebears, The **Tama-Reye-aat** (Egyptians). Thus The Disciple Relationship And The Initiative Way Of Education Are Important Areas Of Study For The Aspiring Transpersonal Studies Devotee Or Professional.

The Need For A True Master Of Spirituality Cannot Be Overemphasized In The Course Of Spiritual Practice And You Have That In **Amunnubi Raakhptah**. The Reincarnated **A'aferti** (Pharaoh) **Atum Re (Tum)** Of Ancient **Tama-Re "Egipt"**. This Is The Reason Why So Many "**New Age**" Teachers And Even Members Of The Traditional Establishment Have Come To "**Sit At The Feet**," So To Speak, Of **Tama-Reye** (Egyptian) Teachers Of Bodily Disciplines And Mystical Knowledge. Nowadays They All Read The **Nuwaupu** Books.

This Is Also The Reason Why Much Of The Research Done By Early Transpersonal Researchers, Beginning With Prince Hall (1735-1807 A.D.) Who Established The First African Masonic Lodge In 1784, In The United States. His Lodges Were Set Up In Philadelphia And Providence Rhode Island.

Black Masons In Masonic Attire

Focusing On The Initiatic Relationship, As Well As The Wisdom Which Is Imparted Through It A Neophyte (Beginner) Is Like An Athlete. He Or She Needs Coaching And Practice In Order To Attain Mastery Over The Lower Nature. In Every Area Of Your Life Where You Have Achieved Success, It Is Because You Studied And Practiced, If Not In This Lifetime, In A Previous One. Spiritual Growth Cannot Be Achieved Through Relieving Or Through Unnatural Means. It Is Achieved Through Overstanding And Hard Work, Not Ordinary Work, But Those Activities Which Lead To Purification Of The Heart As Found In The **Ancient Egyptian Order**.

It Is Possible To Promote Spiritual Growth Through The Books Written By This Genuine Spiritual Instructor **A'aferti: Altum Re**. The New Forms Of Media Such As Audio And Video Have Gone Even Further In Conveying The Message Of The Teachings To The Entire World. However, At Some Point, Books And Tapes Can Only Go So Far In Explaining The Fruits Of The True Practice Of Spirituality. This Is Because The Mind Can Develop Many Misconceptions And Illusions About Spirituality Just As In Any Area Of Ordinary Worldly Life. Therefore, A Spiritual Guide Or Coach Who Is Advanced In Its Practice Should Be Sought Out And Approached With Humility And Honesty To Ask Questions And Dispel Subtle Forms Of Ignorance Or Wrong Knowledge. This Is The Process Of Spiritual Teaching Called **Istalgaan "Initiation"**.

The Neophyte (Beginner) Is Initiated Into A.E.O, A Way Of Life, Which He Or She Needs To Learn And Practice By Studying, Reflecting And Meditating On The Teachings. **Istalgaan "Initiation"** Is A Conscious Choice To Adopt A Teaching And To Embark On The Task Of Basing One's Life On It In Order To Purify One's Mind And Body Through The Teaching Of Nuwaupu, Which Will Break The Spell. This Is So That One May Become A Conduit Of Transcendental Forms Of Experience. One Of The Main Problems Of **Pa Tuta** "The Devil's" Society Is The Relative Lack Of Interest In Facts For Faith And Beliefs And Secondly, The Relatively Small Number Of Authentic Spiritual Preceptors Available To Teach Those Who Are Interested. Many People Do Not Find Spirituality Attractive Because They Feel They Would "Lose" Out On Life If They Became Seriously Involved. Others See The Prospect Of Spirituality As Being Too Remote For Their Overstanding Or Just Spookism; But Its More.

An Authentic Spiritual Instructor Is Not Only Someone Who Is Advanced On The Spiritual Path, Or Even Just Someone Who Has Reached The Full **Neteru** (Deity) State. A Spiritual Master, Is Someone Who Is Spiritually Grown And Who Also Is Well Versed In The Scriptural Teachings Of All Doctrine And Methods Of Training The Neophyte According To Their Level Of **Overstanding**. Therefore, A Counselor Of Bodily Disciplines Must First Achieve A High Degree Of Overstanding And Personal - Spiritual Emancipation Since The Subtleties Of The Mind Must Be Well Overstood. The Teacher Must Be Able To Be A Refuge For All People, Have An Extensive Knowledge Of The Teachings Pertaining To His/Her Level Of Attainment, And Enthusiastically Pursue All Forms Of Bodily Disciplines. The Term Spiritual Master Means One Who Opens Up Others Or Imparts Spiritual Wisdom And Eradicates Ignorance.

Every True Mystical Tradition, Be It Religious Or Non-Religious, Requires A Traditional Link Because The Initiatic Teaching Given To Those Who Become Initiated Into A Tradition, Needs The Benefit Of A Instructor Who Has Received The Teaching From A Previously Initiated Teacher And Has Correct Overstanding Of The Teaching Or Incarnation With It As Your Savior. Otherwise It Would Be, As An Eastern Parable Explains, Like A Blind Person Trying To Explain To Other Blind People What The World Looks Like Simply Using Imagination And Wit. There Are Others, Intellectuals, Who Come To Think That They Have Attained "**Enlightenment**", Yet They Are Blinded By The Light Or Fire. Because They Read The Holy Scriptures Or With Whole Scripts In Them. However, Upon Being Tested In The World Of Human Experience, The Complexes And Sufferings Of Life Resurface. Faith And Belief Can Not Save You Or Your Soul. Thus, A Need For A Comprehensive Program Of Spiritual Development Is Necessary To Promote Real And Abiding Transformation In The Human

Heart And That Is What **Nuwaupu** Is And Taught In **The Ancient Egyptian Order (A.E.O.)**. In The Beginning, The Bodily Teacher Helps The Individual To Turn The Anguish, Disappointment And Pain Experienced As A Result Of Interaction With The World Into A Love To Rise Above It, As Symbolized By The Lotus Rising Out Of The Mud Of The Nile Of Ra Sitting In Waters.

**The Neter Ra Sitting In The Lotus Flower
Emerging From The Primeval Egg**

To This End, A Series Of Techniques And Disciplines Have Been Developed Over Thousands Of Years. The Bodily Disciplines Counselor Needs To Help The Seeker Restructure And Channel Those Energies Which Arise From Disappointment And Frustration Into A Healthy Dispassion Of The World And Its Entanglements, Spiritual Aspiration And Self-Effort Directed At Sustaining A Viable Personal Spiritual Program Or Spiritual Discipline.

In **Pa Neteraat "The Deities"** System Of Bodily Disciplines From Ancient **Tama-Re "Egipt"** Or **Tama-Reye**

"*Egyptian*" Bodily Discipline, There Were Three Levels Of Neophytes (Aspirants).

1. **Aspiring** Devotees Who Are Being Instructed On A Probationary Status, And Have Not Experienced Inner Vision. The Important Factor At This Level Is *Awakening Of The Spiritual Self*, That Is, Becoming Conscious Of The Divine Presence Within **One's** Self And The Universe By Not Having Faith But Facts That There Is A Spiritual Essence Beyond Ordinary Human Overstanding.

2. **Striving** Devotees Who Have Attained Inner Vision And Have Received A Glimpse Of Cosmic Consciousness. The Important Factor At This Level Is Purgation Of *The Self* That Is, Purification Of Mind And Body Through A Spiritual Discipline. The Neophyte Tries To Totally Surrender The I Factor, "**Personal**" Identity Or Ego To The Divine Inner Self, Which Is The Universal Self Of All Creation. Read "**The Mind**" Book.

3. **Established** Devotees Who Have Become Identified With Or United With **Neteraat "Deities"**. The Important Factor At This Level Is *Opening Of The Higher Intellect*. That Is, Experience And Appreciation Of The Divine Presence During Reflection And Meditation, Union With The Divine Self, And The Divine Marriage Of The Individual With The Universal. In Order To Have A Better Overstanding Of What **Istalgaan "Initiation"** Is, We Must Look Into The Distant Past In Order To Discover Its Purpose And Use.

The Netert Aset

The **Netert Aset "Auset, Isis"** Is The Other Great Spiritual Instructor From The **Ancient Tama-Re "Egipt"** Tradition. In

The **Asaru "Usir, Osiris"** Or The Story Of **Asar "Asaru, Osiris"**, **Aset "Auset, Isis"** And Har "**Hiru, Horus**" Otherwise Known As The Ausarian Resurrection, She Is The Teacher To Her Son **Haru "Hiru, Horus"**. She Trains Him In The Arts And Sciences And The Mystical Story Of Creation And The Nature Of The Divine Self. She Enables Him To Receive The Divine Vision Which She Obtained From **Ra "Re"** In The Story Of Ra "**Re**" And **Aset "Auset, Isis"**.

Neter Asaru

Netert Aset

Aset "Isis, Auset" Represents The Supreme Teacher (Instructor) Of The Mysteries. Having Attained Spiritual Knowledge By Listening To The Teachings Of Re "Ra", The Task Of The Initiate Is Continuously Reflected Upon Them Until The Veil Of Ignorance (Egoism) Is Lifted. Through The Process Of Continued Intellectual Refinement (Reflection On The Teachings), The Veil Is Torn Away. Thus, The Mortal Consciousness (Symbolized By The Veil) Is Transcended And **Aset "Isis, Auset"** Is Realized In Her Unveiled Form. In Order To Behold Her Unveiled Form, Ordinary Human Perception Cannot Be Used. This Is Why *No Mortal Man* Has Unveiled Her.

Only Those Who Have Become Like **Aset "Isis, Auset"** (Divine In Consciousness) Can See Her. Through Gradual Intellectual Refinement Attained Through The Process Of Reflection And Meditation, The Mind Of The Initiate Becomes Transformed. Thus, The Initiate Sees With Divine Eyes.

The Divine Eyes

(Refer To Guidance From The Master, Book Esoteric Or Exoteric) And Not With Mortal Ones. He Or She Is Now Beyond Birth And Death (Mortality). The Major Bodily Discipline Of The Neteraat "*Deities*" Are As Follows. According To The Instructions Of The Mir "Pyramid" Of **Aset "Isis, Auset"**, A Spiritual Neophyte Needs To Engage In The Following Process Of Spiritual Practice:

1- Listening To The Teachings.

2- Constant Study And Reflection On The Teachings Along With Practicing Them In Everyday Life Situations.

3- Meditation On The Meanings Of The Teachings.

The Mystical Ruwty "Sphinx"

There Is Perhaps No Other Monument Which Has Awed Humanity As Much As The Ancient **Tama-Re "Egipt"** Ruwty "*Sphinx*". The **Ruwty** Which Is Called **Sphinx** By The Greeks, Is

The Ancient Egiptian Name Given To The Massive Statue Which Sits Silently Facing The Rising Sun In The Giza Plateau Of Ancient **Tama-Re "Egipt"** Is **Ruwty**. It Is Composed Of A Lions Body, A Feline, With A Human Head, Homo Sapien. It Is The Quintessential Symbol Of The Mystical Union And Awakening Of The Lower Self And The Higher Self Of A Human Being. The Mystery Human Creature, That So Baffled The European Invaders That Were Not Satisfied Until They Destroyed The Features And All But Made To Disappearance The Lions '**Aker**' Body Was A Symbol Of A Guardian, For The Lions Guarded All The Temple Entrances From The Powers Of The Disagreeable Aggressors.

The Mystical Ruwty (Sphinx)

The Protective Human Head Was A Symbol Of The Wisest Of All Animals In Creation And Homo Sapien. Thus, The Name **Harmakhes** Which The Greeks Called **Hormakhet** Meaning "*Horus Of The Horizon*" The Symbol Of The Constellation Of **Leo** Put In Constellation In The Northern Hemisphere Near **Cancer And Virgo** Containing The Bright Stars **Regulus** And **Denebola** The Fifth Sign Of The Zodiac From The Egiptian

Denderah In Astrology **Leo**. He Is Always Facing The East. Yes And Muslims, Jews And Christians Face The East In Prayer.

Diagram Showing Haru Of The Horizon,
And The Leo Star Constellation

The Egyptian Denderah

Leo Simply Means "Lion", In The Latin Language. A Replica Of This Lion - Human Structure Were Found Recently On The Planet Mars. So Again, We Have In This Symbol The

Personification Of The Son Of God **Haru "Horus"**. It Is Called The Great Cat. It Was The Symbol Of Health And Strength, Then Later On Became Identified With Holism, When They Combined These Words Cat And Holistic, They Created **Catholic**, Cat Of Holi, The Sun. And The Sphinx Sits And Watches The Sun Appear Each Morning (Again Relating To Jesus Later.) This Character Was Created From Haru [**Horus Son Of The God Asar (Osiris And The Blessed Mother Aset (Isis))**]. **Haru** Was The Personification Of The Rising Sun And Thus Also A Symbol Of Resurrection. **Harmakhis** Is The True Name Of The Sphinx, A Word Which Was Derived From Middle English **Spynx** From **Latin Sphinx** Borrowed From The Greeks, From Spying Or The Watchful Eye The Watcher. Jesus Was After The Order Of Melchizedek "**Tehuti**" Also In Hebrew. Yes, He Was An Initiate In The Egiptian Hebrew Order Of The Essenes, Who Was Also Known As The **Magi Or Magus**.

The Ruwty "Sphinx" Face Found On The Planet Mars

Although It Is Carved In The Actual Image Of **Khephren**, The **Ruwty "Sphinx"** Faces Directly To The Point On The Eastern Horizon Where The Sun Is First Seen At The Equinox

Which Occurs Every 24,896 Years Or 25,000 Years, Or 23 Hours, 56 Minutes, 6 Seconds, Each Day Or 24 Hours. The **Ruwy "Sphinx"** Is 2,400 Feet Long And Again You Have The Number 24 As 24,000, 66 Feet High. $6+6=12$, That's Half The Cycle. 12 Hours Day, 12 Hours Night. The **Ruwy "Sphinx"** Was Once Worshipped By The Canaanites, A Seed Of Caucasians In The Bible (Lepers), Who Resided In The Delta In The Lower Part Of Early **Egypt** In The Second Millennium B.C. They Were From The Sacred City Of **Haram**. Their Language Was **Sermetic** And They Referred To It As "**Hwl**", Meaning "**Terror**". In The Ancient **Egyptian** Language The Word "**Bw**" Meant "**Place**". The Muslims Borrowed This And Called It **Abul-Hol** Father Of Terror, The **Ruwy "Sphinx"** Was Also Called "**Seshep-Ankh-Atun**" The Living Image Of **Atun** Meaning "**The Undifferentiated One**", After **Atum-Re** The Self Created Deity. Scientist Have Been Busy Guessing About What The Face Of Mars Really Is, Yet Everyone Knows That The Face On Mars Is Of A **Tama-Reye Origin**.

Notice When The Face Was Flipped Inside Out, It Represented A Lion

Look At The Features The Face Shape, In One Book Called "**The Martin Enigmas - A Closer Look**" Authored By **Mark J. Carlotto** On Page 20, He Says And I Quote: "**....Fine**

No Other Culture Worshipped The Feline Or Cats, But Egyptians. 1. Bes, 2. Pakhet, 3. Tefnut, 4. Sakhmet, 5. Mihos, To Name A Few; Spiritual Aspiration Is The Most Difficult Task On Earth But Also It Is The Most Rewarding. One Of The Challenges Is To Dispel The Erroneous Notions About What Bodily Discipline Is And How It Is To Be Overstood And Practiced, If Not To Others, At Least To Yourself. An Initiate Needs To Develop Enough Strength To Go Beyond The Popular Culture In Order To Overcome The Limitations Of Society. Having Done This, And This Is A Very Big Step, It Is Necessary To See The Possibility Of Transcending Your Own Personal Limitations. This Is What True Spiritual Aspiration Is

All About. No Matter Where You Come From, What You Have Been Through In The Past Or What Adverse Conditions You Are In Right Now You Need To Realize That You Are The Cause Of Your Own Adversity Or Prosperity, Happiness Or Sorrow, Etc. And It Could Be A Neighbor Or Some Government Official, Or Some Racial Jealousy Of Your Godliness Or Some Other Factor. They Must Try To Stop The Mind Link With Your Ancestors. They Will Do Anything To Mis-Lead You. This Is A Very Hard Point To Accept But It Is True. **Pa Tuta** "The Devil" Is In Human Form, Not A Spook, But An Evil Race. Once You Accept This, Then It Will Be Possible For You To Face All Of The Ignorance And Negativity That Has Led You On The Path To Frustration And Disappointment And In So Doing You Will Begin To Build A Future Of Joy And Inner Peace.

There Are Several Important Factors In Spiritual Life But The Two Most Important Ones Are 1. The Neophyte And 2. The

Instructor. The Neophyte Must Be Willing To Experiment, To Practice The Teachings As They Are Directed But With Truth And Honesty. Truth Means That You Must Strive Ceaselessly And Honesty Means That You Will Not Be Willing To Fool Yourself Any Longer. The Mind Can Rationalize Many Things, To Procrastinate, To Not Apologize Or Realize Your Fault When It Is Your Fault And Also Not To Give Credit When It Is Due. Aspiration Means Striving To Develop A Keen Intellect Which Will Not Let Even The Slightest Infractions Of The Teachings Go By Without Being Acknowledged And Redressed. Spiritual Aspiration Is A Commitment To Growing Up And Using Your Life In Such A Manner To Give It Meaning. People Who Do Not Live Life With The Idea Of Discovering The Truth About Their Real Origin And The Nature Of Creation Are Not Really People.

In Reality, They Are No Better Than Animals Who Eat, Defecate, Grow, Procreate, And Die. Only People Who Are On The Spiritual Path Can Really Be Referred To As Children Of Pa **Neteraat** "The Gods". This Is One Of The Reasons Why The Emergence Of A True Neophyte And True Preceptors Is A Rare And Auspicious Event In The History Of Humanity.

This Means That There Are Many People Who Say They Are Serious But Who Only Practice The Teachings Superficially. If You Intend To Realize The Goals Of Bodily Discipline, You Must Make The Teachings Your Life. Every Aspect Of Your Life Must Be Given To The Teachings. Your Very Ego Is To Be Offered Up As A Sacrifice To Your Higher Self. Then You Will Discover The True Meaning Of What The Teachings Really Mean. This Does Not Happen Overnight. Fanaticism Is Not A Part Of Real Spiritual Evolution. It Is A Hindrance. True Spiritual Evolution Occurs In Degrees. There Is A Bodily Discipline Parable Given To Illustrate This Point. A Neophyte

Went To A Spiritual Instructor And Asked For **Istalgaan (Istalgaan)** "**Initiation**" Into The Teachings.

The Instructor Said *"Alright, Come To The Mir And Study The Revelations, Attend My Lectures And Practice What I Tell You."* The Neophyte Said *"Oh No, I Don't Have Time For That. I Want Liberation From This Miserable World Now. Why Will You Withhold The Teachings From Me?"* The Instructor Replied *"Very Well, I Will Give You Istalgaan 'Initiation' Into The Teachings This Evening. I Will Come To Your House This Evening But You Must Prepare The Special Food Offering To Your Instructor."*

That Evening, The Instructor Came And Was Greeted By The Neophyte. The Neophyte Had Set Everything Up And Offered The Instructor A Seat. The Neophyte Brought The Food Offering To The Instructor And The Instructor Took Out A Bowl For The Neophyte To Put The Food Into. The Neophyte Was About To Place The Food In The Bowl When He Noticed That It Was Full Of Muck And Insects So He Said: *"Please Oh Venerable Master, Let Me Wash Your Bowl And Then I Will Place The Food Into It."* The Instructor Replied: *"No, That's Alright, I Will Eat From This Bowl The Way It Is"*. The Neophyte Was Astonished And Replied: *"How Can You Expect Me To Put Your Food Into That Dirty Bowl, I Cannot Do That."* The Instructor Replied: *"How Can You Expect Me To Teach You The Highest Spiritual Wisdom If You Will Not Cleanse The Vessel Of Your Mind?"* Immediately The Neophyte Overstood The Teaching And Fell At The Feet Of The Instructor And Pledged To Follow His Instruction From Then On.

Another Bodily Discipline Parable Is Given About Another Impatient Neophyte Who Went To A Spiritual Instructor For

Istalgaan "Initiation" Into The Teachings. He Approached The Teacher And Said: *"Please Master Give Me The Teachings Which Lead To Spiritual Growth."* The Instructor Replied: *"Come To The Mir And Help In The Garden, Attend Classes, Learn How To Control Your Emotions And The Practice Of Meditation And You Will Receive The Teachings Accordingly As Your Level Of Overstanding Increases."* The Neophyte Was Impatient And Said: *"I Can't Spend All Of That Time, I Want Knowledge Now. Please Initiate Me And Teach Me The Secrets By Which I Will Not Suffer In Life Any Longer."* The Instructor Replied: *"I Will Do As You Ask. Come To The Nile River With Me Right Now And I Will Initiate You."* They Went To The Nile River And The Two Went Into The Water. The Instructor Dunked The Neophyte Down Under The Surface And Held Him There For A Long Time. The Neophyte Began To Gasp For Air As The Instructor Let Him Up. The Instructor Asked: *"How Do You Feel?"* The Neophyte Replied: *"I Felt Like I Was Going To Die. I Wanted To Come Up At Any Cost."*

Then The Instructor Said: *"When Your Aspiration, Devotion And Will To Grow Reaches This Level Where You Must Get Out Of This World Of Ignorance, Egoism And Sense Pleasures And This Goal Becomes The Most Important Thing In Your Life Then You Will Be Ready To Attain Growth. In The Mean Time Follow My Instructions Which Will Lead You To Discover The Hidden Dark Chamber Of Wisdom And Love For The Divine Which That Can Allow You To Discover The Highest Spiritual Experience."* The Neophyte Realized The Error Of His Rashness And Immaturity And Vowed To Follow The Instructions Of His Teacher.

Aspiration Requires Inner Strength So As Not To Fall Back On The Old Patterns Of Behavior Which Have Led You To The Present Condition. Every Aspect Of Your Life Is To

Come Under Your Control So That You May Lead Yourself Towards What Is Beautiful And Good In Life And Not To Endless Suffering And Pain. The Practice Of Bodily Discipline Bestows Spiritual Strength Which Allows A Weak Personality To Conquer Desires, Negative Relationships And Discontent. Most Of All, It Is A Discipline Which Leads To Abiding Happiness And Expansion Of Consciousness And Self-Discovery. If Your Goal Is To Reach The Exalted State Of Growth, Then Bodily Discipline Is The Way To Go. However, If You Like To Depend On People, Money, Entertainment And Other Sources As A Means For Your Happiness, Bodily Discipline Is Not For You. Bodily Discipline Is Not For Those Who Live According To The Mass Culture Because You Know That The Masses Are Ignorant And Unhappy. As An Initiate You Need To Think Clearly And Profoundly About The Following Questions. How Would It Be If I Were Able To Control My Emotions? How Would It Be If I Were Able To Control My Mind? How Would It Be If I Was Able To Eradicate All Ignorance Within Myself? How Would It Be If I Was Able To Stop All Anger, Hatred, Jealousy, Revenge And Greed Within Myself? The Negativity Of A Person Constitutes The Chains Which Bind Them To Adversity, Limitation, Frustration And Adversity In Life. Bodily Discipline Is The Discipline For Promoting Purity Of Heart And When Purity Of Heart Grows In A Human Being, They Become Sages And Saints Of The Spiritual Truth **Of Nuwaupu.**

Istalgaan "Initiation" Is Not To Be Overstood As An Event. It Is An Induction Into A Way Of Life. The Same Way Of Life As Your Ancestors Did. You Became A Part Of Them Again. It's Like Dialing The Right Number To Call Home. Each Ritual Is A Digit A Number Until You Get It Right. 909-999-9999. That Is $9 \times 9 = 81$ Which Is $8 + 1 = 9$. That Promotes Expansion In Consciousness Through Increasing Levels Of

Expansion And Growth. It Is A Mystical Way Of Life Which Unites You To The Self **Neteru** "Deities" And The Universe And It Is The Art Of Living Which Allows A Person To Remove Pain And Sorrow From Life And To Experience Nothing But Unobstructed Bliss And Abiding Happiness, The Initial Life Begins With **Istalgaan "Initiation"**, The Studies And Other Practices But These Never End. As Life Goes On, The Black Light Of Consciousness Within Grows And All Spiritual Practices Contribute To That Expansion. You Were In Darkness When You Were A Deity, Then You Were Born Into This World Of Light "Chaos" The Paths Of Bodily Disciplines Are Not Ends In Themselves But Means To An End To The Many Things You See That Distracts You. The Goal Is Attaining Perfection And This May Occur In A Short Time Like Nine Months Or It May Take A Lifetime. 9X9 Which Is The Normal Life Span 81 Years, Or Just Add 9 To Get 90. The Complete Cycle Of Life From 09 To 90. 9 Months Is 09. From 0 Or Nothingness To 9 Months Then Birth. It All Depends On Your Previous Experiences, The Level Of Spiritual Work That You Need To Do In This Life, Your Level Of Devotion And Wants To Attain Spiritual Emancipation, The Level Of Mental Complexes That You Need To Resolve, The Time You Spend In Spiritual Practices, Etc.

Therefore, **Istalgaan "Initiation"** Is A Commitment To Practice The Teachings For As Long As You Live With The Idea Of Attaining Perfection In This Lifetime And Never Returning Again On The Cycle Of Birth And Death Which Is Reincarnation, 09 To 90 And Back To 09 In Reincarnation. Worldly Relationships, Egoistic Desires, Money And Entertainment All Things Of Light Or Enlightenment That Cannot Satisfy The Soul, (The Black Light) And They Always Lead To Disappointment And Frustration. However, When A Person Lives Their Life According To The Teachings Of A. E.

O. They Can Discover Great **Satisfaction** And **Contentment** In The World. **Yes, Istalgaan "Initiation"** Means Embarking On A Journey To Learning How To Live According To Truth And How To Avoid Ignorance And Delusion. **Istalgaan "Initiation"** Is True Reality Which Leads To Real Mental Health And To The Unfoldment Of The Powers Of The Soul, The Black Light As Well As The Experience Of Unity With The Higher Self In Triple Darkness.

The Initiatic Life Is Incomparable To Any Other Experience On Earth. The Joy Of Unraveling The Mysteries Of The Soul And The Universe Is The Greatest Thrill A Human Being Can Experience. It Surpasses All Sensual Pleasures Of The Body And Is Beyond All Expectations. It Is A Rediscovery Of All That Is Wondrous In The True World Of The **Neteraat** (Gods). Darkness Is A Part Of The All And Then Just **All**. And In Humanity And Nature, Which Is **Neter**. You See, Nature Is **Neter**. If You Love, You Will Love More Profoundly And With Out Any Fear Because You Will Learn To Love **Selflessly**. If You Have Relationships, They Will Grow In Peace, Harmony And Love. If You Are Weak Willed, You Will Become As Strong As A Mir "Pyramid". If You Are Constantly Hurt By Others You Will Become Like The Radiant **Re** "Sun" Which Nothing Can Touch Due To **It's** Brilliance And Purity And Deep Dark Center Where All Its Power Is This And More Is The Exalted Goal **Of Istalgaan "Initiation"**!

The Instructor Is The Link To Overstanding. You Can Read All Of The Spiritual Revelations And The Most Secret Texts But If You Do Not Overstand How To Apply The Teachings You Will Remain The Same, Trapped In The Illusions Of Egoism And The Delusion Of Desires. The Instructor Is There To Help You Practice The Teachings In Every Area Of Life, From The Formal Practice Of Meditation And Exercise To Dealing With

Relationships And How To Make The Right Choices In Life. Having Familiarized Yourself With The Teachings An **Neophyte** "Aspirant" Seeks Deeper Insight From Those Who Are More Advanced On The Spiritual Path. But This Relationship Is Not Entered Into Just Like That. An Neophyte Must Be Able To Ask The Right Questions And Be Willing To Study And Apply The Instructions Given. Only Then Will He Or She Progress.

The **Neophyte** Is Initiated Into A Secret Way Of Life Which He Or She Needs To Learn And Practice By Studying, Reflecting, Practicing And Meditating On The Teachings. Istalgaan "**Initiation**" Is A Conscious Choice To Adopt A Teaching And To Embark On The Task Of Basing Your Life On It In Order To Purify Your Mind And Body Through The Teachings So That You May Become A Conduit Of The Divine And Break The Spell Of Ignorance Of Self And Kind, Who You Are And Were Also What You Did And Should Be Doing Now As An Egiptian Not A Muslim, Jew, Hebrew, Christian, Negro, Puerto Rican, Trinidadian, Japanese, Philippine Or What Ever. All Of You Are Of The **Tama-Reyeaat** (Egiptians) The Woolly-Haired **Nuwbuns** Of Uganda, The Parents Of All Races, The Original **Tama-Reye** Or **Egiptian**.

The Effective Practice Of Bodily Disciplines Mysticism Requires Spiritual **Instructorship** And A Willingness Of The Neophyte To Follow The Teaching As Directed. The **Istalgaan "Initiation"** Ritual Links The Neophyte And The Instructor In An Ancient Spiritual Tradition Spanning Since The Time Began. The Spiritual Master Provides Counseling, Wisdom, Refuge And Insight Into The Mysteries Of Life But What Does The Neophyte Give? In Ancient Times In **Tama-Re** (Egipt), Neophytes Would Bring Offerings Of Fruit Or Wood For The Fire And Other Gifts, Etc. As A Ritual Of Reverence And Respect And Devotion To The Master Teacher. Most Of All, What The Master Asks Of

Devotees Is To Have Devotion Of Purpose. They Should Bring Honesty, Self-Effort, Peace, And A True Want To Know The Nature Of The Universe And How To Overcome The Ignorance Which Leads To Bondage, Pain And Sorrow In Life. When These Two Dynamic Personalities Come Together It Is Said That Even The Neb "**Masters**", The Celestial Beings **Ogdogs** Who Are **Nun And Nunet**, Deities Of The Watery Abyss. **Heh** And **Hehet**, Deities Of Infinite Space **Kek And Keket**, Deities Of Darkness **Amun And Amunet**, And Deities Of Invisibility.

And The Unfoldment Of Spiritual Living.

(The Ancient Tama-Re "Egipt" Symbol Of Divine
Speech, The Importance Of The Spiritual Name)

Many People, The Masses Who Are Ignorant Of The Greater
Spiritual Reality, Develop Pride Because They Come From

Certain Seh "**Religious**" Families Or Countries And This Pride
Is Carried Into Their **Renaat** "**Names**".

Every Time **Pa Renaat** "**The Names**" Are Mentioned It Is
A Reinforcement Of That Pride And Egoism. "How Wonderful
Am I To Be Part Of The Muhammad Clan" And So On. Little
Do They Realize That While They Are Frolicking In The World
Of Their Own Creation With Earths Many Lights Called
Creations. They Are Blinding Themselves To The Greater
Reality That Is About Them. They Are In Effect Accepting
Something That Is Fleeting And Illusory That Leads To Endless
Frustrations, Worries And Stress Over The Higher Reality Which
Is Transcendental, Eternal And Truly Fulfilling. A Ren "**Name**"
That Relates You To The World Of Egoism, Materialism And
Ignorance Is Indeed A Misfortune. This Is The Degradation Of
The Soul That Is Caused By Spiritual Ignorance. The Ancient
Ones Also Felt That Until You Receive Your Name, You Are
Dead Therefore, I Rename You With A **Tama-Reye** (Egyptian)
Name.

Renaat "**Names**" Are Very Important Because They Relate
To The Essence Of An Object, Idea Or A Person. This Means
That A Name Is An Essential Part Of The Existence Of A Thing.
Otherwise, Without A Name It Does Not Exist And Conversely
Without Coming Into Existence It Does Not Receive A Name.
This Is Why In Ancient **Tama-Re "Egipt"** Mysticism, The Spirit
Is Regarded As Having A Ren (Name). In **The Relative World**
Things Get Names But From A Transcendental **Point Of View**
They Really Do Not Have Names. This May Sound **Paradoxical**
And Yet It Is True. When You Have A Dream Your **Dream**
Objects Come Into Existence In Your Mind And During That
Time They Have Names And Forms. However, Upon Waking
The Objects And People Of The Dream Are Discovered To Have
Been Illusory So Did They Really Exist And Were Those

Names And Forms Real? No But This Is The Transcendental, Absolute Point Of View. In Reality, The World Is As Illusory As A Dream But In The Relative World Things Get Names So As To Assist The Mind In Working With And Overstanding Them In Order To Ultimately Transcend Them. The Spiritual Use Of **Pa Renaat** "The Names" Comes In When A Spiritual Neophyte Uses The **Renaat "Names"** As Words Of Power To Relate The Objects (Him Or Her Self Included) To Higher Spiritual Principles Which Will Lead To Perfection. Then The Name Takes On A Special Meaning And Every Time It Is Uttered In Tone It Is A Meditation On That Divine Principle Or Higher Truth That Vibrates With In You. The Three Tones **Atum- Atun- Amun**. This Meditation Bestows Power On The User When The Wisdom Behind The Name Is Correctly Overstood. In Ancient **Tama-Re** "Egipt" There Was Many Preferences For Lineage Names. Family Names As Rameses, Rameses I, Rameses II Etc. The Jews And Muslims Got Ben And **Ibn** From Egypt, Son Of Ben Ben Etc. That Is, The Son May Not Necessarily Have The Name Of The Parents And So On, But There Should Be A Link. People Are Individual Souls Incarnating And Therefore They Are On Different Paths In Their Spiritual Journey. Thus, The Names Should Be Tailored To The Specific Individual. Also, As The **Neterus** (Cosmic Forces) Are The Underlying Force Behind All The Names Should Be Related To This Reality Rather Than To Illusory Realities Created By Human Beings (Human Given Names, Paul, Joe, Dale, Martha Etc.).

The **Ren "Name"** Can Be Arrived At Through The Use Of Oracles Or Meditation Or Through Spiritual **Instructorship**. When The Name Is Given By These Means, It Is Charged With Spiritual Energy. When It Is Given By A Spiritual Instructor It Carries A Special Energy **Sekhem** (Power), The Symbol Of A

Human Deity Which Is Imbued Into It By The Instructor Through The Teaching Of The Master.

Istalgaan "**Initiation**" With A Spiritual Instructor

In Essence, The Entire Program Of Study In Bodily Disciplines Is An Initiatic Ritual. However, A Specific Ritual Of **Istalgaan "Initiation"** Is Additionally Efficacious Since It Serves To Establish A Subtle Connection Between Teacher And Disciple Which Fosters Greater Understanding Through Personal Contact. It Allows The Neophyte To Develop A Devotional Feeling Toward The Teacher And The Teachings Which Relate To The *Self*. It Engenders A Mystic Force Towards Spiritual Aspiration Even When Done Alone. Essentially, **Istalgaan "Initiation"** Is An Expression Of A Person's Personal Conviction And Desire To Engage In A Lifestyle Which Will Lead To Spiritual Transformation. It Is A Commitment To A Process Of Learning Spiritual Teaching And Its Practice. The **Istalgaan "Initiation"** Ritual Performed With A Spiritual Instructor Also Fosters A Mystic Link Between A Neophyte And His Or Her **Hekau** Which Is "Chanting In Tones". And Everything Else Related To The Spiritual Practice

Being An Egyptian Initiate.

Because It Causes A Deeper Mental Impression Of Their Divine Nature. This Is Especially Important In The Practice Of Chanting Or **Hekau** Repetition. The **Hekau** Acts To Cleanse The Heart (Mind) And It Sets Up Positive Vibrations Which Calm The Mind And Awaken Spiritual Feeling. Chanting Elevates The Mind And Lifts It To Transcendental Levels.

The Istalgaan (Istalgaan) "Initiation" Ritual Is Usually Accompanied By Certain Ceremonial Rites And Specific Instruction On How Chanting Works And The Procedure For Uttering Words Of Power. A Specific **Hekau** (Chanting) Is Given To An Initiate Based On The Individuals Spiritual Inclination, Attitudes And Level Of Evolution. Initiations May Be Performed For Individuals Or For Groups. A Spiritual Neophyte Will Be Drawn To A Spiritual Instructor On The Basis Of Internal Spiritual Sensitivity. At Some Point In Life A Person Will Look For Someone Who Can Overstand Him Or Her And Lead Them On The Spiritual Path. In Ancient Times Those Wanting To Learn From A Spiritual Teacher Would Come To Them With Humility And Reverence. They Would Bring Fruits Or Firewood Or Other Gifts To Help Sustain The Teacher And His Or Her Efforts In Disseminating The Teaching.

In Ancient **Tama-Re "Egipt"**, The People And The Government Would Support The Secret Society, (The **Brotherhoods**) So That The Spiritual Upliftment Of The Country Might Be Insured. Therefore, When You Approach A Master Teacher, Bring An Offering Or A Pure Greeting. This May Be A Symbolic Object But Realizing That It Represents Your Inner Wants To Grow Spiritually And Respect For The Teachings You Will Receive. Also, Come With Patience And A Spirit Of Joy. Then You Will Discover The True Meaning Of What The Teachings Really Mean. This Does Not Happen Overnight. Fanaticism Is Not A Part Of Real Spiritual Evolution. It Is A Hindrance. True Spiritual Evolution Occurs In Degrees Over Time.
